*You can arrive at school from 8:35am.*

*You will line up at the Nursery gate and Miss Holland or Mr Cumberland will walk you down to our pod door.*

Our first job is to hang up our coats and book bags on our pegs.

The pegs will have your name on them.

If you have a packed lunch it will go on the green trolley.

During the day, we will learn about new things. We have a phonics session every day and we also have a Literacy and Maths lesson. During the week we also have fun finding out about the world and carrying out creative activities.

This is where we sit for our learning, the register and for lots of stories!

You get lots of time to explore the activities in our classroom. You can choose where you want to go and you can go both inside and outside all day. Here are some of the areas you can explore.
